

GBT RAPOR 1998–2007

(Combined Final Report Including ANNEX 1 & ANNEX 2)

1. Evidence Base (Documents Used)

Strasbourg complaint and background

1. Letter to the European Court of Human Rights, 01.09.2003 – detailed 9-page German statement describing events in Germany from 1998 onwards:

- initial detention in Köpenick prison,
- hunger strikes,
- denial of medical treatment,
- social office refusals,
- worsening health and homelessness.

2. Witness statement by Leonid Poljakov, 23.12.2003 – describes the traffic accident of 01.10.2002 where a police car hit the applicant's bicycle, throwing him into the air.

3. Medical certificate by Dr. Andreas Carganico & Dr. Stephan Dupke, 04.10.2002 – confirming chronic conditions and brain trauma from police accident.

4. Complaint of 18.10.2004 to ECHR – describing:

- 01.10.2002 police accident,
- biased court proceedings in Berlin,
- denial of interpreter,
- ignoring medical reports,
- unlawful fine of €167.

5. Letter to Berlin Police President (21.03.2005) – summary of repeated humiliations and unlawful actions.

Amnesty & ECHR correspondence (2004–2007)

- Amnesty replies (23.07.2004, 27.01.2006, 14.03.2006) refusing to act.
- ECHR Case No. 746/04 registered; multiple letters from Keller, Nobbe, Quesada.
- 16.05.2006 inadmissibility decision.
- 26.01.2007 objection explaining AIDS hospitalization, procedural impossibility.

Press Evidence

7. Der Tagesspiegel article, 08.01.2004 – confirming suicide attempt in front of Bundestag.

2. Chronology (1998–2007)

[Due to length, summary only — full chronology already provided in base report.]

3. Legal and Factual Assessment

- Evidence of systemic medical neglect.
- Confirmed police accident.
- Denial of fair trial.
- Suicide attempt proves extreme pressure.
- Amnesty refusal despite vulnerability.

- ECHR formal rejection leaving no remedy.
- State protection mechanisms collapsed.

4. Conclusion

- Case No. 746/04 was real and documented.
- Germany was repeatedly informed.
- Media confirmed self-immolation attempt.
- Amnesty and ECHR declined substantive help.
- This is Report 1; thousands more pages exist.

ANNEX 1 — Rechtsanwalt Harald Lilge (12.08.2002)

Document: Antrag nach §123 VwGO

Court: Verwaltungsgericht Berlin

Date: 12.08.2002

Summary:

- Repeated denial of medical care (2000–2002)
- Multiple emergency medical certificates ignored.
- Two wrongful court decisions (VG 32 A 594.00, VG 32 A 487.01)
- Violation of human dignity.
- Attorney concludes denial was unlawful and life-threatening.

Legal Relevance:

- First formal proof Germany knew medical danger existed years before AIDS era.

ANNEX 2 — Der Tagesspiegel (08.01.2004)

Title: Mann wollte sich selbst verbrennen

Newspaper: Der Tagesspiegel

Date: 08 January 2004

Archive Reference:

Ausgabennummer 18352/2004 – Seite 014 – Ressort: Berlin

Summary:

- 33-year-old Azerbaijani attempted to burn himself in front of Bundestag.
- Already covered in diesel before police intervention.
- Sent letters to journalists saying German authorities treated him unjustly.

Legal Importance:

- Independent media confirmation of political suicide attempt linked to injustice.

FINAL NOTE

This combined report is based solely on provided documentary evidence.

The applicant has informed that thousands of additional documents exist.

Further reports will follow.
