

To the European Court of Human Rights  
(France, Strasbourg)

26.11.2008

I'm the advocate of Rustam Azeri. In respect of illegal court decisions of the Federative Republic of Germany against Rustam Azeri the complaint has been lodged to the European Court of Human Rights. In his complaint Rustam Azeri pointed out that if the European Court of Human Rights does not make a decision in favour of Rustam Azeri, he commits suicide.

Following lodgement of the complaint to the European Court of Human Rights Rustam Azeri was placed into a mental hospital. Placement of Rustam Azeri into the closed mental hospital is an illegal action and there is no a base for it. In this respect, you're kindly asked to immediately make a decision about release of Rustam Azeri from the closed mental hospital.
