You have in hand the case No. 68-59/08 of Ismayil Rustam who is resident in the Federative Republic of Germany. I have submitted an application in connection with this case with the accompanying attorney's order. However, this Application contains technical errors whereby EUR 100 000 is indicated as the material damages compensation chargeable to the Defendant State, instead of EUR 10 000 000; also, EUR 100 000 is indicated as the moral damages compensation, instead of EUR 10 000 000; also, EUR 200 000 is indicated instead of EUR 20 000 000. You are kindly requested to amend the technical errors contained in my Application and ensure the charging of EUR 10 000 000 to the Defendant State as the material damages dealt to Ismayil Rustam, as well as the charging of EUR 10 000 000 in compensation of the moral damages, with the aggregate amount being EUR 20 000 000.
