**TO THE PRESIDENT OF THE  
EUROPEAN COURT OF HUMAN RIGHTS**

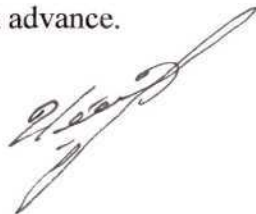

**Dear Mr. President,**

On the 24th November policemen came into my flat and have locked up me unintentionally in the closed psychic institution. I made 4 days of hunger strike. By the pressure of the Azerbaijani House and German lawyers and Azerbaijani lawyers from Azerbaijan the court has reacted. As a result the court has found out that I must not stay there, because up to the 15th May I will do no suicide. Then I was released and yesterday on 20.01.2009 about 20 o'clock 5 policemen stood before my door, because I have not been there, my guest (Marcel Lau) has opened the door. In my opinion the policemen want to take me again in the psychiatric hospital and send me there. The police do not come at night only to ask you, how you feel. Please do some pressure, that the policemen do not further come to my flat. If the police take me under arrest, the only possibility is suicide. The whole situation proves again that it is not possible that I can do something in Germany, so that the second authority of the court of human rights must take care of this case.

As I dont speak Englisch, I ask you to answer me in **Azerbaydschan**.

Thank you in advance.

Sincerely,  
Ismail Rustem
