**TO THE PRESIDENT OF THE
EUROPEAN COURT OF HUMAN RIGHTS**

Dear Mr. President,

Enclosed I send you my two German-speaking contradictions sent at the 5th and 6th of February 2009, which I have written to the Federal Constitutional Court in which I prove that the Federal Constitutional Court does not want to help me and whitewashes the crime.

Today I have problems which are not solved, as for example the thing with my disabled pass, flat situation and pension. In addition, you receive my care complaint to the chamber court from the 29th of January 2009 and my bias application to the Federal Social Court from the 19th of November 2008 in a German-speaking version.

I have won the complaint (AZ.: 528 Qs 49/03 (251b / 251a Ds) 52 Js 7/00 (349/00)) against the foreign authority in 2005. Also afterwards, till 2007 the foreign authority has ignored furthermore and has acted unlawfully. My lawyer Mr. Lilga has sold me and has betrayed me, because he got a job offer of the court. At this time I was psychically very ill and he has used the possibility to treat me like that. My juridical contradictions, for example my care application and my flat situation, especially the decision for my stay status, he has taken back in 2006, after I had won the process in court in 2005. Because of the German "Härten-law (AIDS)" he also had no right to take back the contradiction. The lawyer knows that he gets away without juridical consequences with his unlawful behaviour, as well as other official and authorities, what was absolutely aware to him.

All this proves that I have been put out under a very strong inhuman pressure of the German justice.

As I dont speak English, I ask you to answer me in **Azerbaydschan**.

Thank you in advance.

Sincerely,
Ismail Rustem
