TO THE PRESIDENT OF THE UNITED NATIONS

Dear Mr. President,

In my opinion, the fact that this process Nr 2698 / 09 has been opened has only the reason that you know that I will take my life on 15.05.2009. After my suicide you would state that you have taken care of the affair, my case has been worked on and you will impersonate me as a naive person who wanted to commit only suicide.

But if I commit no suicide, the process with the number Nr 2698 / 09 is not continued like the other both court processes, Nr 746 / 04 and Nr 6859 / 08, have been rejected and you know exactly that you can argue later that the policeman's-process Nr 2698 / 09 has not run through all authorities and after the right of the European Court can reject this process juridical.

This process Nr 2698 / 09 does not bring any solution with regard to my problem with more than **80 court** processes and these processes end everything in a dead end. Opening the process for your part with the number Nr 2698 / 09 also does not bring a solution for my whole insoluble problems that I have written to you on 16.04.2009, and my setting does not change my opinion in doing suicide. My request is that you work on mine more than **80 court** processes.

As I dont speak Englisch, I ask you to answer me in **Azerbaydschan**.

Thank you in advance.

Sincerely,
Ismail Rustem
